Dear parents/ guardians,

We know how important it is to stay up to date on your child's learning journey, which is why we are reinforcing the use of Procare Solution's app.

Procare is all about to keeping parents and schools connected. Once parents are added into the system, they can sign up for a Procare account through the app or website.

Parents App Features:

- Sing child In/Out using a QR Code or Contactless Curbside (GPS) Sing In/Out
- Add or edit your child's allergies or medication
- Add/edit authorized pickups
- View your child's current balance, make payments or setup auto-pay
- View a live feed of the students activities, such as clock-in/outs, meals, photos and more!
- Receive and reply messages from the teachers.

What can I see on the App?

Once you download the Procare mobile app, you can stay up to date on your child's daily activities, milestones and more! We can send you photos and videos of your child, as well as keep you in the loop on upcoming events and time-sensitive information.

The app also offers several "contactless" ways to check your child in and out. This helps us limit in-person interactions and unnecessary foot traffic in the center so we can better ensure the health and wellbeing of you, your children, and our staff.

How do I get the app?

You received an email (or will receive) from Procare with a unique 10-digit code and instructions on how to download and log into the app.

Portfolio

We can now create a portfolio containing pictures taken throughout the day. The pictures will be available for you to download, share, print or link to Facebook.
